- ⇒ Finding answers in a text
- ⇒ Economics: goods and services
- ⇒ Science: Body parts

FROM MISS C

We will be taking our Chapter 15 math test in the later part of this week. Believe it or not, we have less than 30 days left of the school year. We will be having a VIP student every day counting down to the last day of school. The student who is the VIP will have the day devoted to them. This is a favorite activity if mine because it helps reinforce kindness amongst all of the students. Don't forget that the Walkathon is on the 28th! Don't forget to BE SPORTY AND RAISE \$40. Have a great week! ~Miss C

SPECIAL CLASSES

Monday - Art
Tuesday - Music
Wed. - Gym
Thursday - Library
Friday - Art
